

HVAC (Heating, Ventilation & Air Conditioning Systems)

Rebates Of:

- \$400.00 PER UNIT - HEAT PUMP, 15 SEER OR HIGHER**
- \$300.00 PER UNIT - A/C WITH GAS HEAT, 15 SEER OR HIGHER**
- \$50.00 PER HOUSE - HVAC DEALER REBATE**

PROGRAM PROCEDURES & REQUIREMENTS:

- **Minimum 15 SEER system.**
- **Rebates apply to new construction and existing homes.**
- **Window units and central air-conditioners with electric resistance heat as a primary heating source are not eligible.**
- **Electronic thermostat must be installed (if not already existing).**
- **Only SBEC residential customers are eligible for rebates.**
- HVAC units must be installed within the SBEC service area.
- Unit must be a NEW matching system certified by AHRI. Both condensing unit and air handler/evaporator coil must be replaced.
- Current Manual J cooling load calculation must be completed for new installations.
- Must be installed by a contractor with a current "TACL" license.
- Air distribution system (supply, return, plenum, and cabinet closet) must be sealed or repaired according to manufacturer's recommended installation practices and current code requirements.
- Unlisted systems must be accompanied by engineering certification signed by a registered professional engineer or an officer of the manufacturer representative.
- SBEC reserves the right to verify all projects in order to meet minimum program guidelines. The rebate may be denied if SBEC cannot verify the information provided on the application form.
- SBEC does not assume responsibility for the work completed by contractors listed on the SBEC contractors list.
- SBEC reserves the right to make changes to the program without notice.
- **To receive the rebate: Submit an itemized and dated invoice from the contractor or retailer along with your completed rebate forms including the appropriate HVAC dealer and homeowner signature.**
- **Applications must be received within 90 days of installation.**
- After all program requirements are met, **a rebate in the form of a bill credit will be issued to the member's account.** Please allow 8 to 10 weeks after receipt of all documents for the bill credit to appear.
- Submission of application does not guarantee a rebate, funding for the program is limited. Once funds budgeted for the rebate program are exhausted the program stops.

This rebate program is available to SBEC Residential Members and applies to central HVAC systems installed during the 2021 calendar year. Starting January 1, 2021 until December 31, 2021 (or while funds last), SBEC offers rebates for energy efficient HVAC systems. The rebate will appear as a bill credit on your SBEC account. Submission of an application does not guarantee a rebate. Application must be completed and submitted within 90 days of installation. Please allow 8 to 10 weeks after receipt of all documents for the rebate credit to be issued to your SBEC account. To obtain further information, please visit the SBEC website at: www.sbec.org or call your SBEC Member Services Representative at 1-800-364-3171.

Under penalty of perjury, I certify that the above declaration is true and correct. I understand that the information is subject to audit and investigation by SBEC and an on-site verification may be required prior to issuance of rebate. I also understand that submission of this application does not guarantee a rebate. The program will end when funds are depleted.
