

Window Solar Screen or Film

Rebates Of:

\$0.50 PER SQUARE FOOT OF WINDOW OPENING

PROGRAM PROCEDURES & REQUIREMENTS:

- Applicable only to existing homes (no new construction).
- Solar Screens must have a heat gain blockage equal to or greater than 70%.
- Solar Film must have a Solar Heat Gain Coefficient (SHGC) equal to or less than 0.40.
- Only SBEC residential customers are eligible for rebates.
- Rebate will apply to solar screens and films installed on existing windows. Solar screens or films installed in conjunction with installation of new windows do not qualify for rebate.
- Screen or film must cover entire glass area.
- Garages and other non-conditioned living areas do not qualify.
- All material must be new and installed within the SBEC service area.
- Manufacturer's installation procedures must be followed.
- SBEC reserves the right to verify all projects in order to meet minimum program guidelines. The rebate may be denied if SBEC cannot verify the information provided on the application form.
- SBEC does not assume responsibility for the work completed by contractors listed on the SBEC contractors list.
- SBEC reserves the right to make changes to the program without notice.
- **To receive the rebate: Submit an itemized and dated invoice from the contractor or retailer along with your completed application and worksheet. Invoice must include: manufacturer's data on heat gain blockage or solar heat gain coefficient, product identifiers, and performance rating specifications.**
- **Applications must be received within 90 days of project completion.**
- After all program requirements are met, **a rebate in the form of a bill credit will be issued to the member's account.** Please allow 8 to 10 weeks after receipt of all documents for the bill credit to appear.
- Submission of application does not guarantee a rebate, funding for the program is limited. Once funds budgeted for the rebate program are exhausted the program stops.

This rebate program is available to SBEC Residential Members and applies to energy efficiency projects completed during the 2020 calendar year. Starting January 1, 2020 until December 31, 2020 (or while funds last), SBEC offers rebates for energy efficient home improvements. The rebate will appear as a bill credit on your SBEC account. Submission of an application does not guarantee a rebate. Applications must be completed and submitted within 90 days of installation. Please allow 8 to 10 weeks after receipt of all documents for the rebate credit to be issued to your SBEC account. To obtain further information, please visit the SBEC website at: www.sbec.org or call your SBEC Member Services Representative at 1-800-364-3171.

Under penalty of perjury, I certify that the above declaration is true and correct. I understand that the information is subject to audit and investigation by SBEC and an on-site verification may be required prior to issuance of rebate. I also understand that submission of this application does not guarantee a rebate. The program will end when funds are depleted.
